

What about property owners and right-of-way?

- Most of the work on the three-lane project can be done within the existing right-of-way, but some small strips of property may be required to complete the project
- UDOT does not plan to purchase large property parcels (i.e., homes or businesses) for the three-lane project
- You are encouraged to continue to maintain and improve your property
- Learn more about your Right-of-Way rights and options at: www.udot.utah.gov

Eventually, when funding becomes available, UDOT will purchase right-of-way to widen S.R. 108 to five lanes. Right now, UDOT is uncertain when this might occur.
